

## FLY WITH ME

Fly with me  
And take the sky,  
Close your eyes  
And feel the wind.  
You and I  
Will live to see,  
When we reach the sky  
You will find.

Fly away take my hand  
Spread your wings reach the sky  
I can make you believe  
Life is rich, rich within me  
So fly away hold my hand  
Feel the wind take the sky  
Love will find find a way  
I believe in you fly with me,  
fly with me

Night will fall  
And stars will shine,  
And the moon will smile,  
To ease your mind  
Questions why  
Life's so strange,  
Watch me fly  
I, take you there to see

Fly away take my hand  
Spread your wings reach the sky  
I can make you believe  
Life is rich, rich within me  
So, fly away hold my hand  
Feel the wind take the sky  
Love will find find a way  
I believe in you fly with me,  
fly with me

So, Fly away take my hand  
Spread your wings reach the sky  
I can make you believe  
Life is rich, rich within me  
So, fly away hold my hand  
Feel the wind take the sky  
Love will find find a way  
I believe in you fly with me,  
fly with me,  
fly with me,  
fly with me!
