

FOREVER LOVE

Love it has so many beautiful faces
Sharing lives and sharing days
My love it had so many empty spaces
I'm sharing a memory now
I Hope that's how it stays
Now I'm deep inside love and still breathing
She is holding my heart in her hand
I'm the closest I've been to believing
This could be love forever
All throughout my life
The reasons I've demanded
But how can I reason
With the reason I'm a man

In a minute I'm needing to hold her
In an hour I'm cold, cold as stone
When she leaves it gets harder and harder
To face life alone
Now my dreams are filled with times
When we're together
Guess what I need from her
Is forever love
