

LEAN ON ME

Sometimes in our lifes, we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long till I'm gonna need
Somebody to lean on

Please swallow your pride
I'll have things you need to borrow
For no one can feel
Those of your needs
That you won't let show

You just call on me brother
When you need a hand
We all need somebody to lean on
I just might have a problem
That you'll understand
We all need somebody to lean on

Lean on me when you're not strong
And I'll be your friend
I will help you carry on
For it won't be long till I'm gonna need
Somebody to lean on

You just call on me brother
When you need a hand
We all need somebody to lean on
I just might have a problem
That you'll understand
We all need somebody to lean on
Lean on me when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long till I'm gonna need
Somebody to lean on
lean on...
