LOVE YOU TILL THE END

I just want to see you When youre all alone I just want to catch you if I
can

I just want to be there When the morning light explodes
On your face it radiates I cant escapel love you till the end

I just want to tell you nothing You dont want to hear All I want is for you
to say

Why dont you just take me Where Ive never been before
I know you want to hear me Catch my breath
I love you till the end

I just want to be there When were caught in the rain I just want to see
you laugh not cry

I just want to feel you When the night puts on its cloak
Im lost for words dont tell me `Cause all I can say I love you till the end
