

ONLY YOU

Looking from a window above
It's like a story of love
Can you hear me?
Came back only yesterday
Moving further away
Want you hear me

Chorus:
All I needed was the love you gave
All I needed for another day
And all I ever knew, only you

Sometimes when I think of your name
When it's only a game
And I need you
Listening to the words that you say
Getting harder to stay
When I see you

Chorus

Chorus

This is gonna take a long time
And I wonder what's mine
Can take no more
I'm wondering if you'll understand
It's just the touch of your hand
Behind a closed door

Chorus
