

## FEELS LIKE HOME

There's something in your eyes  
Makes me wanna lose my self,  
Makes me wanna lose myself in your heart,  
There's something in your voice  
That makes my heart beat fast  
Hope this feeling lasts  
For the rest of my life

If you knew how lonely  
My life has been  
And how long I've been so alone  
And if you knew how I wanted someone to come along  
And change my life the way you've done

It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I come from  
It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I belong

A window breaks down on lumdard street  
And a siren rings in the night  
But I'm all right cuz I have you here with me,  
And I can almost see through the dark there is light

Well if you knew how much this moment means to me  
And how long I've waited for your touch  
And if you knew how happy you are making me  
I never thought that I'd love anyone so much

It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I come from  
It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I belong

It feels like I'm all the way back where I belong.
